Dear Sir

Central Nottinghamshire Hospitals MAS
Re: Temporary Link through Towers 1 and 2 Courtyard and the Old DTC Main Entrance Removal.

I am writing to congratulate you on the way you have performed and conducted yourselves on site in the past few weeks. The removal of the link and temporary entrance cabins was not an easy task as it was surrounded by 'Live' Hospital areas.

Through your good planning and control / supervision of the works on site there was little to no disruption to the existing Hospital.

To achieve the above and also remove the buildings in such a timely manner is a credit to you. Your operatives have conducted themselves well and your supervisors / managers have shown a good attitude and ensured every request made by my site team has been answered.

On behalf of Allan Hogan, Andy Walker, Jonothan Hutchinson, Andy Love and myself please pass on our thanks to Gavin and his site team.

We look forward to working with you again in the future.

Yours faithfully

For and on behalf of Skanska Central Nottinghamshire JV
